

San Fran Fleets

SF FLEET MANDATE

- *Applies to 735 / 6,000 fleet vehicles*
- *Light Duty Sedans*
- *150 automobiles per year during the 5 1/2-year period*
- *New charging infrastructure coming soon*

Why EV fleets make good batteries

- *Predictable Routes (service routes / people transport)*
- *Vehicles return to service lot each night*
- *Approximate use: 20-25 miles a day*
- *EV's have less maintenance*
- *Lower operational cost (mi/kWh)*
